

Measure Draft Presentation - April 20

Good Evening Members of the Board, Superintendent, District Staff,

My name is xxxxxxx and I am a member of the BSEP

The new measure shares many principles and characteristics with Measure A of 2006 however focused efforts have been made to provide increased flexibility to manage changes in financial, demographic, and academic circumstances the district could face over the next 8 years. We encourage you to carefully examine the assumptions underlying the fiscal structure of the new measure. We have examined documents detailing the extensive fiscal modeling carried out by district staff and request the same dilig
